## **Rampage (PG-13)**

• **Dwayne Johnson** •

Primatologist Davis Okoye (Johnson), a man who keeps people at a distance, shares an unshakable bond with George, the extraordinarily intelligent, silverback gorilla who has been in his care since birth. But a rogue genetic experiment gone awry mutates this gentle ape into a raging creature of enormous size. To make matters worse, it's soon discovered there are other similarly altered animals. As these newly created alpha predators tear across North America, destroying everything in their path, Okoye teams with a discredited genetic engineer to secure an antidote, fighting his way through an ever-changing battlefield, not only to halt a global catastrophe but to save the fearsome creature that was once his friend.

## **Isle of Dogs (PG-13)**

**(voices) • Bryan Cranston • Francis McDormand •**

*Isle of Dogs* tells the story of *Atari Kobayashi*, 12-year-old ward to corrupt Mayor Kobayashi. When, by Executive Decree, all the canine pets of Megasaki City are exiled to a vast garbage-dump called Trash Island, Atari sets off alone in a miniature Junior-Turbo Prop and flies across the river in search of his bodyguard-dog, Spots.

## **Chappaquiddick (PG-13)**

• **Jason Clarke • Kate Mara** •

Ted Kennedy's life and political career become derailed in the aftermath of a fatal car accident in 1969 that claims the life of a young campaign strategist, Mary Jo Kopechne.

## **Ready Player One (PG-13)**

• **Tye Sheridan • Olivia Cooke** •

The film is set in 2045, with the world on the brink of chaos and collapse. But the people have found salvation in the OASIS, an expansive virtual reality universe created by the brilliant and eccentric James Halliday (Mark Rylance). When Halliday dies, he leaves his immense fortune to the first person to find a digital Easter egg he has hidden somewhere in the OASIS, sparking a contest that grips the entire world. When an unlikely young hero named Wade Watts (Tye Sheridan) decides to join the contest, he is hurled into a breakneck, reality-bending treasure hunt through a fantastical universe of mystery, discovery and danger.

## **I Can Only Imagine (PG)**

• **Dennis Quaid • J. Michael Finley** •

The film brings to life the true story behind the song of ultimate hope, 'I Can Only Imagine.' A transformed relationship with his troubled father (Dennis Quaid) inspired Bart Millard (J. Michael Finley), the lead singer of the Christian band MercyMe, to write what is now the most-played radio single in Christian music history. The story beautifully illustrates that nobody is ever too far from God's love -- or too far from an eternal home in Heaven.
